

RIGHT FROM THE START

Residential construction solutions

WILLSCOTTM

SPACE SOLUTIONS | 800.782.1500 | WILLSCOT.COM

We help you keep your project on track

At WillScot, we know that success in residential construction depends on meeting deadlines, minimizing uncertainties and reducing risks. That's why homebuilders across the country call us for the portable space solutions they need to work on their projects more efficiently. We handle the space, so they can focus on delivering their developments on time and on budget.

WE MAKE YOUR LIFE EASIER

As North America's largest provider of temporary space, we have exactly the right units for your construction project, ready to roll to any location. One call and you get the offices and storage you need, complete with all the furnishings, fixtures, technology, security and more to make your space right from the start. We take care of every detail for you, so you can stay productive, get your project built, and get those homes on the market.

READY SOLUTIONS FOR HOMEBUILDERS

SALES OFFICES

Set up an attractive pre-sales center onsite where customers can see the development

We can provide all the furnishings that a permanent sales office would have

Quality units for a comfortable and impressive customer experience

Order your unit pre-wired for fast and hassle-free internet service connection

MOBILE OFFICES

Quality offices in a wide range of sizes and configurations to fit your footprint and project

Our units let you set up and organize your operations quickly and efficiently

We can provide all the furnishings and fixtures so you can be productive on day one

Easily handle and store blueprints and site plans with our planning package

FLEX™

Innovative, stackable modular offices that maximize space utilization when it's limited

Scale up or down as the project changes and house all crew members in one complex

Tailor your space for any use, including options for ADA access and restrooms

Higher efficiency and less energy use than traditional mobile office products

STORAGE CONTAINERS

Secure units to protect valuable worksite equipment, tools and supplies

Durable high-gauge steel construction holds up to harsh weather and working conditions

A wide range of sizes and door configurations lets you customize to your needs

Add our innovative PRORACK™ system and sturdy locks for ultimate customization and strong security

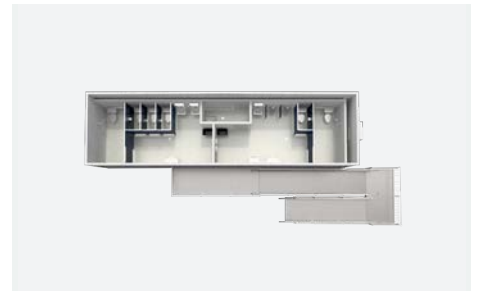

GROUND-LEVEL OFFICES

Ready-to-go container configuration gets you set up and functioning fast

Our units can be placed in the tightest of spaces anywhere on your property

Shipping-container construction stands up to seasonal weather and heavy usage

Equipped with HVAC and can be outfitted as an office-storage combo unit

RESTROOMS

Help your crews be more comfortable with clean, high-quality facilities

A variety of ADA-compliant configurations allow you to accommodate any number of users

Units function like permanent restrooms appropriate for your team and potential customers

Convenient hook-ups to city water or one of our holding and sanitation tanks
