Energy solutions

SPACE SOLUTIONS | 800.782.1500 | WILLSCOT.COM

We help keep your production flowing

At WillScot, we know that growing energy demand means operators have to stay productive around the clock. That's why when energy producers and service companies have special projects like expansions, shutdowns, turnarounds, new builds or any other temporary situation, they call us to get top-quality mobile space solutions fast. We handle the space, so you can complete projects efficiently and serve their customers, uninterrupted.

WE MAKE YOUR LIFE EASIER

As the premier modular space provider in North America, we deliver the perfect units for your needs, ready for any location. One call equips you with not just space solutions, complete with all of the furnishings, fixtures, technology, security to be right from the start. We manage all details, so you can focus on growth while maintaining productivity.

| In-plant offices | |
| Maintenance facilities | |

READY SOLUTIONS FOR CONSTRUCTION

FLEX®

Innovative, stackable modular offices that maximize space utilization when it's limited

Our fleet is new or like-new and readily available for fast deployment anywhere you need

Flexibly adapt to your evolving space requirements by adding or removing units as needed

Higher efficiency and less energy use than traditional mobile office products

MOBILE OFFICES

Our wide range of unit sizes let you configure and organize your operations quickly and efficiently

We can fit units into the tightest spaces on your site or quickly deploy to remote locations

Create a more traditional professional office, with larger spaces and all the furnishings

Maintain a clean working environment with our air purifiers and other appliances

BLAST RESISTANT MODULES

Keep your people onsite, productive and most importantly, safe

Save time and money by keeping your employees and supplies near the work area

Withstand blast events up to 8 PSI and 200 milliseconds

Every unit is Avetta qualified and meets API Standard RP-753 guidelines

LARGE STRUCTURES COMPLEXES

Accommodate any number of people. Open more floor space. Readily handle any need

Furnish your space as an office, break room, meeting space or anything else

Provide a seamless and comfortable solution for personnel during plant shut-downs

Order your unit pre-wired, so internet service connection is fast and easy

STORAGE CONTAINERS

Preconfigure units with the accessories to optimize productivity, safety and security

Durable high-gauge steel construction holds up to harsh weather and working conditions

A wide range of sizes and door configurations let you customize to get the job done

Add our innovative PRORACK™ system and sturdy locks for ultimate customization and strong security

RESTROOMS

Help your crews be more comfortable with clean, high-quality facilities

A variety of ADA-compliant configurations allow you to accommodate any number of users

Units provide sanitary facilities at remote sites or on your plant property

Convenient hook-ups to city water or one of our holding and sanitation tanks
