SPACE SOLUTIONS | 800.782.1500 | WILLSCOT.COM

We help you capitalize on growing demand

At WillScot, we know that companies building capacity in renewable energy need partners ready to go, right now. That's why when they're constructing new facilities or expanding existing ones, they call us to get top-quality space solutions fast. We handle the space, so you can pursue your energy-transition strategies, unhindered.

WE MAKE YOUR LIFE EASIER

As the largest provider of modular space in North America, we have exactly the right units for your projects, readily available to be deployed to any location. One call and you get the space solutions you need, complete all the furnishings, fixtures, technology, security and more to make your space right from the start. We take care of every detail on your behalf, allowing you to maintain productivity, attract more customers, and achieve a faster return on investment.

USES FOR RENEWABLES OPERATIONS

- | | |
|--------------------------------|--------------------------|
| Administrative offices | Plant facilities offices |
| Break rooms | Remote facilities |
| Conference centers | Restrooms |
| Construction offices | Security buildings |
| Equipment and supplies storage | Training rooms |
| Guard shacks | |
| Maintenance facilities | |

READY SOLUTIONS FOR RENEWABLES PROJECTS

MOBILE OFFICES

Our wide range of unit sizes let you configure and organize your operations fast and efficiently

We can fit units into the tightest spaces on your site or quickly deploy to remote locations

Create a more traditional professional office, with larger spaces and all the furnishings

Maintain a clean working environment with our air purifiers and other appliances

STORAGE CONTAINERS

Preconfigure units with the accessories to optimize productivity, safety and security

Durable high-gauge steel construction holds up to harsh weather and working conditions

A wide range of sizes and door configurations let you customize to get the job done with the security you require

Add our innovative PRORACK™ system and sturdy locks for ultimate customization and strong security

FLEX®

Innovative, stackable modular offices that maximize space utilization when it's limited

Our fleet is new or like-new and readily available for fast deployment anywhere you need

Flexibly adapt to your evolving space requirements by adding or removing units as needed

Higher efficiency and lower energy use than traditional mobile office products

GROUND-LEVEL OFFICES

Ready-to-go configuration gets you set up and functioning fast

Our units can be placed in the tightest of spaces anywhere on your site

Shipping-container construction stands up to harsh weather and heavy usage

We can deliver the unit already outfitted with the furnishings and fixtures you need

RESTROOMS

Help your crews be more comfortable with clean, high-quality restroom facilities

A variety of ADA-compliant configurations allow you to accommodate any number of users

Our units deliver the convenience you require at remote sites or on your plant property

Convenient hook-ups to city water or one of our holding and sanitation tanks

BLAST RESISTANT MODULES

Keep your people onsite, productive and most importantly, safe

Built to withstand blast events up to 8 PSI and 200 milliseconds

Every unit is Avetta qualified and meets API Standard RP-753 guidelines

Easily placed on any hard surface, readily relocatable and stackable
