

# RIGHT FROM THE START

## CLEARSPAN STRUCTURES

Highly configurable rugged structures with applications from simple storage to attractive event spaces

### EXTERIOR & INTERIOR

- Open space that can be adjusted to the specific need
- Extreme weather rated
- Industrial fabric with metal framing
- Peak height clearance up to 26'; side height: 10' / 13'
- Install nearly anywhere
- Rapidly deployable

### OPTIONAL

- Interior and exterior graphics
- Can be completed with full range of furnishings, entrances, and more.

### USES

- Depending on the need, these buildings can be the solution for breakrooms, large site meeting spaces, large equipment storage, large warehouses, and a variety of other uses.

## OUR CLEARSPAN STRUCTURES

Clearspan industrial structures can scale as large as your site needs, whether you need simple storage or elaborate public spaces. They can be installed nearly anywhere, are rapidly deployable and can be customized with interior and exterior graphics.

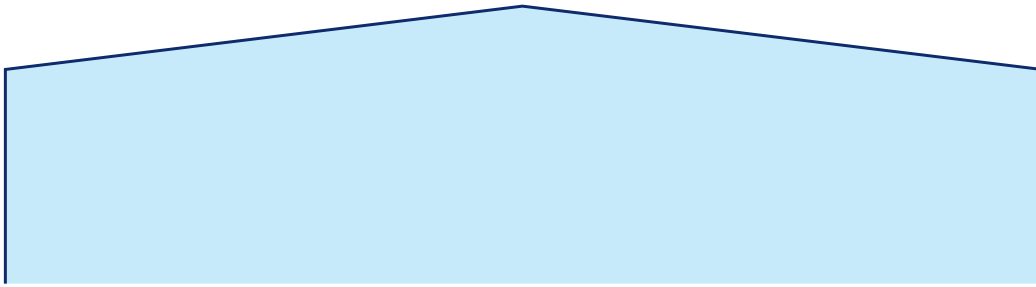

Install nearly anywhere

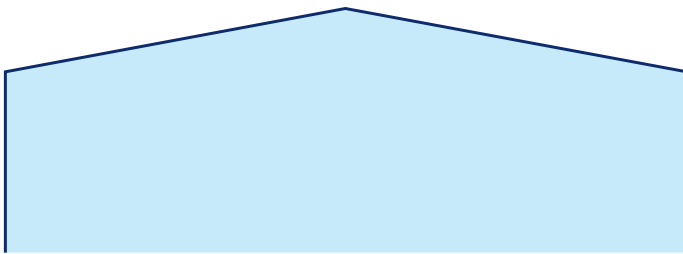

Container canopies available

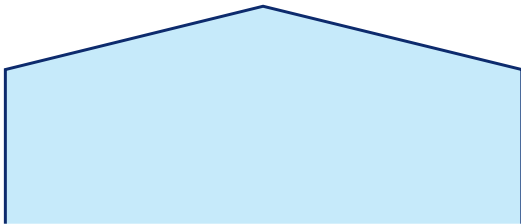

100' W x 200' L x 26' H

66' W x 100' L x 23' H

50' W x 100' L x 20' H

33' W x 50' L x 18' H

## CLEARSPAN STRUCTURE FLOORPLANS

Our pre-designed clearspan structures offering brings 4 different widths (33', 50', 66' and 100') to accommodate to your space needs; the length of each unit can be adjusted in 16' increments to your specific requirements.

We also provide a variety of additional products, including locks, lighting, hard walls, personnel doors, furniture, fabric graphics, roll up doors and integrated HVAC, thoughtfully designed to fit your space, saving you time and money, so that your space is outfitted with everything you need, right from the start.
