# We help you keep your clinical operations safe

At WillScot, we know that running successful medical operations calls for urgency, decisiveness and action. That's why healthcare clients call us when they need safe, top-quality temporary facilities fast. Whether you need modular buildings on hospital grounds to support for an expansion, temporary units to support remote populations, or anything in between, we're your ready partner. We handle the space, so you can focus on providing care.

## WE MAKE YOUR LIFE EASIER

As North America's largest provider of modular space and storage solutions, we have exactly the right units and furnishings for your project, ready to roll to any location. One call and you get the space solutions you need, complete with all the furnishings, fixtures, tech, security and more to make your space right from the start. We take care of every detail for you, so you can serve your patients and achieve the best possible outcomes.

## USES FOR HEALTHCARE

- |                               |                              |
|-------------------------------|------------------------------|
| Admin and satellite offices   | Screening facilities         |
| Equipment and records storage | Temporary clinics            |
| Laboratories                  | Vaccine and medicine storage |
| Maintenance facilities        | Walk-in freezers             |
| OR, MRI, CT buildings         |                              |
| Outpatient clinics            |                              |
| Remote medical facilities     |                              |
